A WARM WELCOME TO CAFÉ SAFFRON!

Only the finest and highest quality ingredients are used to create authentic, non-mainstream Indian dishes based on classic formulas.

With modern and imaginative approach to our dishes our chef boasts being way ahead of time, leaving the competition standing. Our head chef has acquired vast experience working alongside top chefs in both the UK and abroad, where he has learned and developed his own style and innovative dishes. Our selection of both traditional and unique dishes on our menu ensures that there is something for everyone, from the adventurous, trying different dishes to the more conservative sticking to their time old favourites.

Alongside the food we offer a wine selection to match the changing times. Cocktails, spirits and liquers are undoubtedly available.

Our décor is light and bright reflecting the modern look of today with the big arch window over looking the west end. Helpful staff are encouraged not just to wait on tables but to be open and friendly with patrons, making them feel at home.

Authentic Indian dishes coupled with newly refurbished surroundings for a pleasant atmosphere adds up to a night out to remember.

Shu Shadu Kabar!
(happy dining)
